

Overview of the year: This year we will be become secure in more complex vocabulary in our 5 Topics by increasing the level of detail, in up to 5 tenses, and producing language more spontaneously to communicate confidently in a Francophone country. By the end of the year, you will have completed an FCSE qualification (end of Key Stage 3 French qualification), and you could achieve a Pass, Merit, or Distinction certificate in French!		Ways to consolidate and extend your learning in French: Complete all Homework tasks set as extended learning to consolidate what you learnt in class. Use DuoLingo to further develop all four skills! Use your vocab booklets to create revision flash cards and mind maps per Topic. Watch short video clips on BBC Bitesize on Topics that you are learning in school, to enhance your Listening and Speaking skills.
