

Tuesday 7th September 2021

Dear Parent/Carer,

Year 11 Information Evening Invitation

I am writing to invite you to the Year 11 information evening. There will be two separate Year 11 Information evenings (one for each of the two sites).

- The Year 11 Information evening for students based at the **Grosvenor Road** site will take place on **Monday 20th September at 5:00pm**.
- The Year 11 Information evening for students based at the **Upton Lane** site will take place on **Tuesday 21st September at 5:00pm**

There will be lots of important information given at this evening including a timeline of the year, expectations of homework and private study, advice, and guidance for parents as well as opportunities to ask questions. The evening will end at approximately 6pm. Parents should only attend one evening. This information evening is for parents /carers only as we have limited spacing in the hall, however, there will be some limited space for children for those who may have childcare issues on that evening.

Attendance at school events such as this one and at parent's evenings is very important; we have found that there is a clear link between student outcomes and parents being informed and engaged.

I look forward to seeing you at one of the information evenings.

Yours sincerely,

Mr Walkinshaw

Assistant Headteacher
